Read through all of the instructions before starting

Care instructions are listed in the last step of this manual

Approx. 60 minutes assembly time

Make sure you have all parts and components before discarding any packing materials

2 people recommended for assembly

**Only use hand tools to assemble this item.** Do not use power tools. Do not tighten bolts or screws completely until all hardware is lined up and inserted into the holes.

Do not over-tighten screws and bolts to avoid stripping the hardware or cracking the item.

Assemble your item on a flat, carpeted area, with plenty of space to work. This will prevent damage and scratches to your floors or the item while you're assembling the product.

Keep all components and packaging out of reach of children or animals to avoid risk of choking or suffocation.
