6	2092-1P11	1 pc	Connecting Rod					
7	2092P03	4 pcs	Casters with Screws					

Please Note : Assembly requires two people

STEP 1

STEP 1: ASSEMBLING THE LEG UNIT

- Separate the two End Leg pieces (Part 4) from the eight Middle Leg pieces with the hole in the center (Part 5).
- Arrange the legs so that the thinner end of the legs are going in the same direction.
- Build the leg assembly by inserting the Connecting Rod through the center hole in the middle legs, keeping the thinner end up.
- Complete the assembly with the two end pieces and hold together.

STEP 2: ATTACHING THE LEGS TO THE MOUNTING PLATE

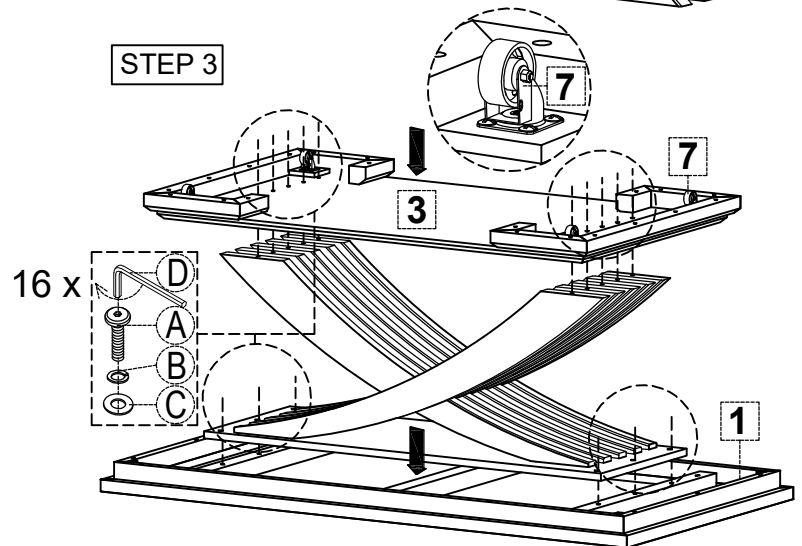

- Place the mounting Plate (Part 2) over the thinner leg ends and attach using a Bolt, Lock Washer and Flat Washer (see diagram) into each of the holes. Tighten with the Allen key provided.

STEP 3: ATTACHING THE MOUNTING PLATE TO THE TABLE TOP

- Place the table top on a smooth padded surface to prevent scratches or damage.
- Attach the Mounting Plate with the attached Legs using a Bolt, Lock Washer and Flat washer (see diagram).
- Attach the Table Base to the legs as shown using a Bolt, Lock Washer and Flat Washer.
- Tighten all bolts securely before turning table upright.
