

ASSEMBLY INSTRUCTIONS / PLANO DE ARMADO

Before assembling the furniture, carefully read the assembly instructions!

Antes de armar el mueble, lea con atención el manual de ensamble!

3001 - AMBER NIGHTSTAND

Congratulations! You have purchased a product of excellent quality, made from MDP or MDF wood veneer, extracted from renewable forests. It has high strength and current design.

Felicitaciones! Usted compró a un producto de excelente calidad, fabricado con placa de madera de MDP o MDF, proveniente de florestas renovables. Tiene alta resistencia y diseño actual.

ATTENTION
ATENCIÓN

1) Check all parts before starting assembly.

Verifique todas las partes antes de empezar el armado.

2) When starting the assembly, don't support the parts on the wall.

Al empezar el armado, no apoyes las partes en la pared.

3) When placing parts and hardware aside, be careful not to lose them.

Al poner las piezas y herrajes a parte, cuidado para no dañarlas.

4) The furniture must be mounted on the floor, to do this, use the box itself to protect and not damage the floor.

El mueble suele ser armado al piso, para eso, use la propia caja para protegerlo y no dañar al piso.

5) Begin assembly by following the step-by-step instructions.

Comience el armado siguiendo la instrucciones paso a paso.

6) It's the assembler's responsibility to follow the instructions in this manual, which are fundamental to the structure of the furniture.

Es de responsabilidad del armador seguir las instrucciones de este manual, que son fundamentales para la estructura del mueble.

CARE
CUIDADOS

1) Care and cleaning should be done with a cloth slightly moistened with water.

La conservación y limpieza debe ser hecha con un trapo levemente humedecido en agua.

2) Don't use abrasive products, such as soap, detergents and steel sponge.

No use productos abrasivos, como saponáceo, detergentes y esponja de acero.

3) Don't use wax or oil to shine the furniture.

No use cera o aceites para darle brillo al mueble.

4) Don't expose the furniture to weather or excessive heat.

No exponer el mueble a interperies ni al calor excesivo.

5) When the assembly is finished, clean the room and the furniture.

Al terminar el armado, limpie al ambiente y al mueble.

1

Fit the Wooden Dowels. Encajar los Tarugos.

Warning:
Before fit the wooden dowels, make sure you are using the correct hole. For this process, consider the second hole before the edge of the plate. To be sure, the measurement between the center of the holes must be 10,07 inch according to the drawing.

Advertencia:
Antes de colocar los tarugos, asegúrese de estar utilizando el agujero correcto. Para este proceso, considere el segundo agujero antes del borde de la placa. Para estar seguro, la medida entre el centro de los agujeros debe ser de 256mm según el dibujo.

**2**

Insert the Minifix Screws. Insertar los Tornillos Minifix.

Warning:
Before assembling the mini fix screw make sure you are using the correct hole. For this process, consider the last hole before the edge of the plate. To be sure, the measurement between the center of the holes must be 12,59 inch according to the drawing.

Advertencia:
Antes de montar el tornillo mini fix, asegúrese de que está utilizando el orificio correcto. Para este proceso, considere el último agujero antes del borde de la placa. Sin duda, la medida entre el centro de los agujeros debe ser de 320mm según el dibujo.

**3**

Fix the Legs. Fije las Patas.

**4**

Glue Felts. Pegar Fieltros.

6

Fit the Sides Panels to the Bottom. Afterwards, fit the Minifix Drums on the Sides Panels and turn clockwise.

Encaja las Laterales en la Base. Luego, coloque los Tambores Minifix en las Laterales y gírelos en el sentido de las agujas del reloj.
