Please lay out all parts prior to assembly.
Read instructions prior to assembly.

LISTA DE PARTES

Por favor despliegue todas las partes antes de ensamblar.
Lea las instrucciones antes de ensamblar.

Seat box
Cojín de asiento

7

1

Metal lock
Cierre de metal

Fitting the Unit:
Note: It would be helpful to ask someone to assist for this step.

Insert the back rest onto seat cushion. Carefully align the two side metal locks. Engage the metal locks and push down to fit. You should hear them lock into position.

2

Slide wing cushions downward onto side of back cushion.

3

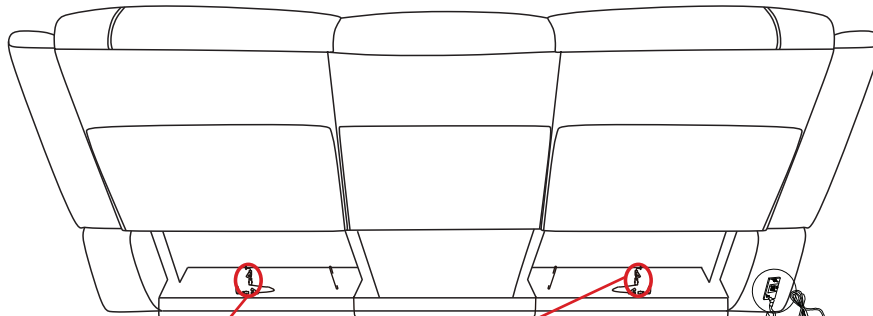

arm pillows are stored in zipper compartment under seat box

Remove arm pillows from compartments under seat box.
Screw the 2 threaded bolts into the arm pillows. Align and insert threaded bolts into the two holes in the top of the arm area.
Under unit attach star bolt handles to secure arm into place.

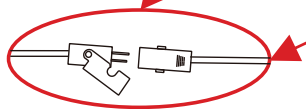

4

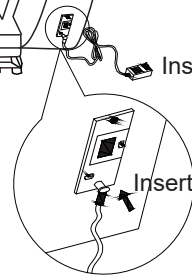

Connecting power cord / Conexión del cable de alimentación

*Power cord is packed and tied under unit onto mechanism in red bag.

Connect two cables as shown
Conecte dos cables como se muestra

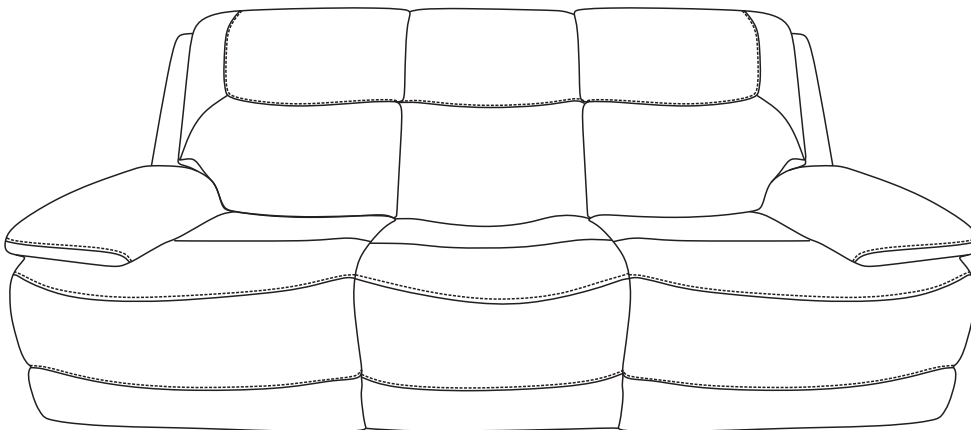

Insert AC plug into wall.

Insert power cord into port behind unit.

5

Final assembly as shown in the figure.

Features intergrated USB charger with Intelliswitch technology that automatically senses and turns off its power draw when nothing is plugged in.

Locate the Velcro on the flap of the Back Cushions onto the back of Seat Cushions.
Ubique el Velcro en la solapa de los cojines traseros en la parte trasera de los cojines del asiento.
